## Secondary Application Process – Chestnut Grove.

Dear Parents and Carers,

We would like to share some important information with you regarding applications to **Chestnut Grove Academy** for Year 7 places.

You may already have seen the updated flyer that has been sent out to you via email. In addition to this, I wanted to highlight some key information about the specialist places at Chestnut Grove.

Chestnut Grove Academy offers places in Art and Modern Foreign Languages (MFL) which do not depend on the usual distance criteria. These specialist places open earlier than the main admissions process, meaning that you will need to apply sooner if these places are of interest to you. Importantly, children do not need to have a particular specialism in Art or MFL in order to apply for these places. This year, applications close on **Friday 11<sup>th</sup> September 2026 at midday.**

If you are considering Chestnut Grove Academy for your child, we strongly encourage you to look into these early application opportunities.

For further information and details about how to apply, please visit:

If you have any questions, please do not hesitate to contact me.

**Kind regards,**

Miss French
