

Monday 22nd June 2026

Dear Parents and Carers,

Due to the high temperatures and heatwave forecast on Tuesday, Wednesday and Thursday this week. We would like to share some of the measures we will be taking to help keep all children safe and comfortable.

- Children can choose to wear either **summer school uniforms** or **Chesterton PE kit**. They do not need to wear ties.
- Spaces will be made available for children to spend their playtimes and lunchtimes inside (the playgrounds do also have shaded areas).
- PE lessons will all take place inside. Planning will be amended so that children are not expected to do vigorous exercise.
- All the classrooms have fans and we are keeping the classrooms as ventilated as possible.
- School trips on **Tuesday, Wednesday and Thursday** will be subject to change or last-minute cancellation.

Please ensure your child brings a water bottle to school each day so they can refill it and stay hydrated throughout the day.

We strongly advise children to wear a sun hat and arrive at school with sun cream already applied.

If the Trust share any further measures the school need to take, I will keep you updated.

Please speak to your child's class teacher if you have any concerns, but please do ensure you continue to send your child to school as usual.

Kind regards,

Miss Green
Head of School

Chesterton Primary School
