

Curriculum Overview for Year 6

Summer 2

Here are Year 6 areas of study for Summer 2:

English: Windrush Child

Maths: Ratio & proportion, BIDMAS, mean average and recapping other areas

Science: Animals Including Humans: Healthy Living

History: Windrush

RE: Life's Big Questions—What does it mean to grow up?

DT: Making a car using our measuring, sawing and joining techniques

PE: Athletics

Other: We will be rehearsing for our end of year production: Shrek!

UNCRC: # 20—Children have the right to be brought up by people who respect their culture and religion.

Online safety focus: To describe the issues online that could make people uncomfortable and how to deal with these.

Emergency Issues (medicines/phone numbers etc)

Please ensure that the office is informed of any medical needs/allergies your child may have. It is essential that we have an up to date record. Please also make sure we have your up to date mobile number in case of an emergency with your child.

Break times

Children in Y6 can bring a piece of fruit from home to eat at breaktime. Please ensure your child **only brings a piece of fruit** and no other snack.

PE

PE will be on a **Tuesday** afternoon. Please make sure your child brings their full **Chesterton** PE kit (including black tracksuit bottoms for outdoor PE in colder weather) and suitable trainers on this day. The PE uniform includes a white polo shirt, black plimsolls/trainers and school PE shorts/plain black jogging bottoms.

Maths

This half term we will be revising content on ratio and proportion, mean average and BIDMAS. We will also be revising all our prior content to ensure we are ready for secondary school.

Here is a website where you can access 36 arithmetic test questions. These will help us to be ready for secondary school.

Reading

Remember to read at home every day!

It is important to keep practicing the reading skills we have been working on all year!

You can write a book review of a book you have liked especially.

History: Windrush

Our key question for this half term is: **Why were the Windrush generation called upon and what is their lasting legacy?**

This half term, we will be exploring the reasons why the Windrush generation came to Britain and the lasting impact it had.

At home, try researching:

- 1) When was Windrush?
- 2) What countries were involved?
- 3) How did Britain change due to this?

Use your research to create an informative poster all about Windrush!

Home Learning

Science

This half term, we will be studying the Circulatory System.

Our Key Career this half term is haematology—the study of blood.

Why don't you try researching a bit more about the circulatory system and how it works? You could even create a fact sheet to help you in lessons!

Shrek

Your main homework this half term is to practice your lines and the songs for Shrek. Search Shrek Jr soundtrack on YouTube to practice the songs. They are also saved on Google Classroom. <https://www.youtube.com/watch?v=7sqopU4V60w>

Top tips:

1. Record yourself reading your scenes and listen back to it.
2. Ask a family member to read through scenes with you.
3. Think about how your character would act and not just speak.
