International Day!

Dear Parents / Carers,

We are excited to announce our annual International Day will be on Thursday 2nd July 2026. It has become the highlight of our school diary and helps us to enjoy our right to practise our own culture, religion and language (UNCRC Article #14 & #30). On this day children may come to school dressed in clothing which is important to their family traditions.

On the day we will be exploring the world with a **vibrant food market**. This cannot happen without your amazing support. We kindly ask that families donate food to represent their cultural heritage. **Please do not include any foods containing nuts**. If you are contributing to this, the main gates will open at 1:00pm for you to bring in your dish. We would please ask you to stay to serve the food and join in the fun. Please sign up in the office by Monday 29th June to ensure there is a space for your dish. If you have not signed up it cannot be guaranteed that a space will be available for you.

You may collect your child at 2pm from their class and sign them out from their teacher. Please remember that once you have collected your child, they must stay with you at all times. You are then free to take your child home once you have enjoyed some delicious food and activities.

To ensure that everyone gets the opportunity to experience some food, please help your child to select a few items they would like to try.

Thank you as always for your support!
We look forward to celebrating with you.
