Dear Parents and Carers,

Yesterday was one of our favourite days of the year. What an incredible International Day we had. Thank you for all your delicious food contributions. We have shared some of the highlights on our new Instagram page so please start following us! Alongside the excitement of the day, our Rocksteady bands performed for their families – they were incredible.

Year 1 had a great start to the week and enjoyed a trip to Littlehampton Beach. Year 3 then visited Battersea Park. Both trips were very successful and children had a wonderful time.

Today we have been busy making plans for September and sharing all the many successes of the year.

We are looking forward to seeing you tomorrow at the Great Fete!

Have a wonderful weekend.

Miss Green and Miss Smith

Class/Weeks attendance

1M	92.3%
1P	95.3%

This week at **CHESTERTON**

Classroom Corner: Year 5

Year 5 had a fantastic time celebrating Science Week! We were lucky enough to welcome the brilliant team from Inventors and Makers, who led an exciting hands-on engineering workshop. Throughout the day, the children explored how different mechanisms work by designing and building their own catapults, seesaws and, finally, a pulley system capable of lifting objects. It was wonderful to see everyone working collaboratively, thinking creatively and developing their problem-solving skills. There was plenty of enthusiasm, curiosity and excitement throughout the day, making it a memorable Science Week experience for everyone involved!

International Day

This week we celebrated our exhilarating International Day, headlined by an wonderful mariachi band that filled the event with vibrant, festive music. It was heartwarming to witness countless families reveling in the diverse foods and cultures from around the globe. A heartfelt thank you to everyone who contributed to making this day truly spectacular. A special thank you to Miss Harris and Mr Riley for organising the day.

Reading Spotlight of the Week

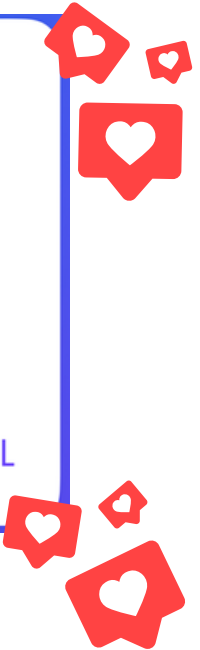

This week's featured book has been chosen by Harper in 1M.

Mr. Mornington's Favourite Things is a heartfelt story about friendship, memory loss and special moments. It captivated Harper with its wonderful detail, beautiful pictures and fun story.

We're joining Instagram!

Follow us for everything related to school life, including behind-the-scenes looks, updates and event day highlights.

Learn with me....

This week, learn **Spanish** with Chesterton as Juan shares his knowledge with us...

I like tacos because they are delicious.

Me gustan los tacos porque son deliciosos.

Donations of trainers and football boots

If your child has outgrown their trainers or football boots, please consider donating them. Your generosity supports the school and helps ensure every pupil has the correct kit to participate. Thank you for making a positive impact.

Please clearly write their name on their uniform, whether it's a shirt, jumper, jacket or bag. School uniform items are alike, which increases the chances of them being misplaced or swapped by accident. By labelling your child's clothing, you can reduce the chances of this happening.

Breakfast Club and After School Care

We offer Breakfast Club and After School Care for Reception to Year 6. Nursery children can join when settled, as discussed with their teacher and agreed with our senior leadership team.
