Dear Parents and Carers,

Re: School Photo Catch-Up Session – New Date

We would like to inform you that the catch-up photography session originally scheduled for Tuesday 30th June has now been rescheduled to **Tuesday 7th July**. This session is for pupils who did not have their individual photo taken during the autumn term.

This session will also provide an opportunity for sibling photographs to be taken.

If you have already completed the form, you do not need to complete it again. If you have not yet done so and would like your child to participate in the catch-up session and/or have a sibling photograph taken, please complete the online form using the link below:

Thank you for your continued support.

Kind regards,
