Love of reading at Chesterton

At Chesterton, we promote Reading for Pleasure for children and adults.

Try asking your child some questions about a book they have chosen:

‘Have you read something from this author before?’

‘Did you like/dislike this book? Why?’

‘Would you recommend this book to someone else?’

We also have a Parent Library in the front office for parents/carers to borrow books from. If you have any books you would like to add to the library, please feel free to bring them in.

19 days of education missed

Attendance is a serious concern. Children who miss this much school have their later outcomes seriously impacted both socially and developmentally

Less than 10 days absence a year

Attendance is a cause for concern because your child has less chance of success, making it harder for them to progress

Less than 6 days absence a year

Excellent Attendance! These Children are setting themselves up for positive futures – establishing routines and habits is proven to benefit future outcomes

How can you help?

- Children flourish with consistent routines, so setting them at home, with your child, can really help.
