Dear Parents and Carers,

It has been lovely to see how settled the children have been this week. We have spent time in classrooms and have seen some truly incredible work. The presentation of their work is beautiful, and it is clear that the children are taking great pride in their learning.

In Year 2, the children were eager to share their work with us and were encouraging us to look at the achievements of their classmates too. What a lovely example of children celebrating and supporting one another's successes.

Wishing you all a wonderful weekend.

Best wishes,

Miss Smith and Miss Green

Attendance

Ensuring your child attends school punctually every day is a crucial commitment for parents, as it significantly impacts a child's educational experience and personal development. Arriving on time not only helps students transition smoothly into their daily routine but also ensures they receive all important instructions and participate fully in activities. Punctuality fosters discipline and respect for others' time, which are invaluable life skills. At Chesterton we strive for an attendance rate of at least 96.7%. To encourage this goal we have introduced a weekly attendance spinning wheel in our assemblies.

This week's lucky winners are

Noah 2F

Tyfleek 5R

Imran 6F

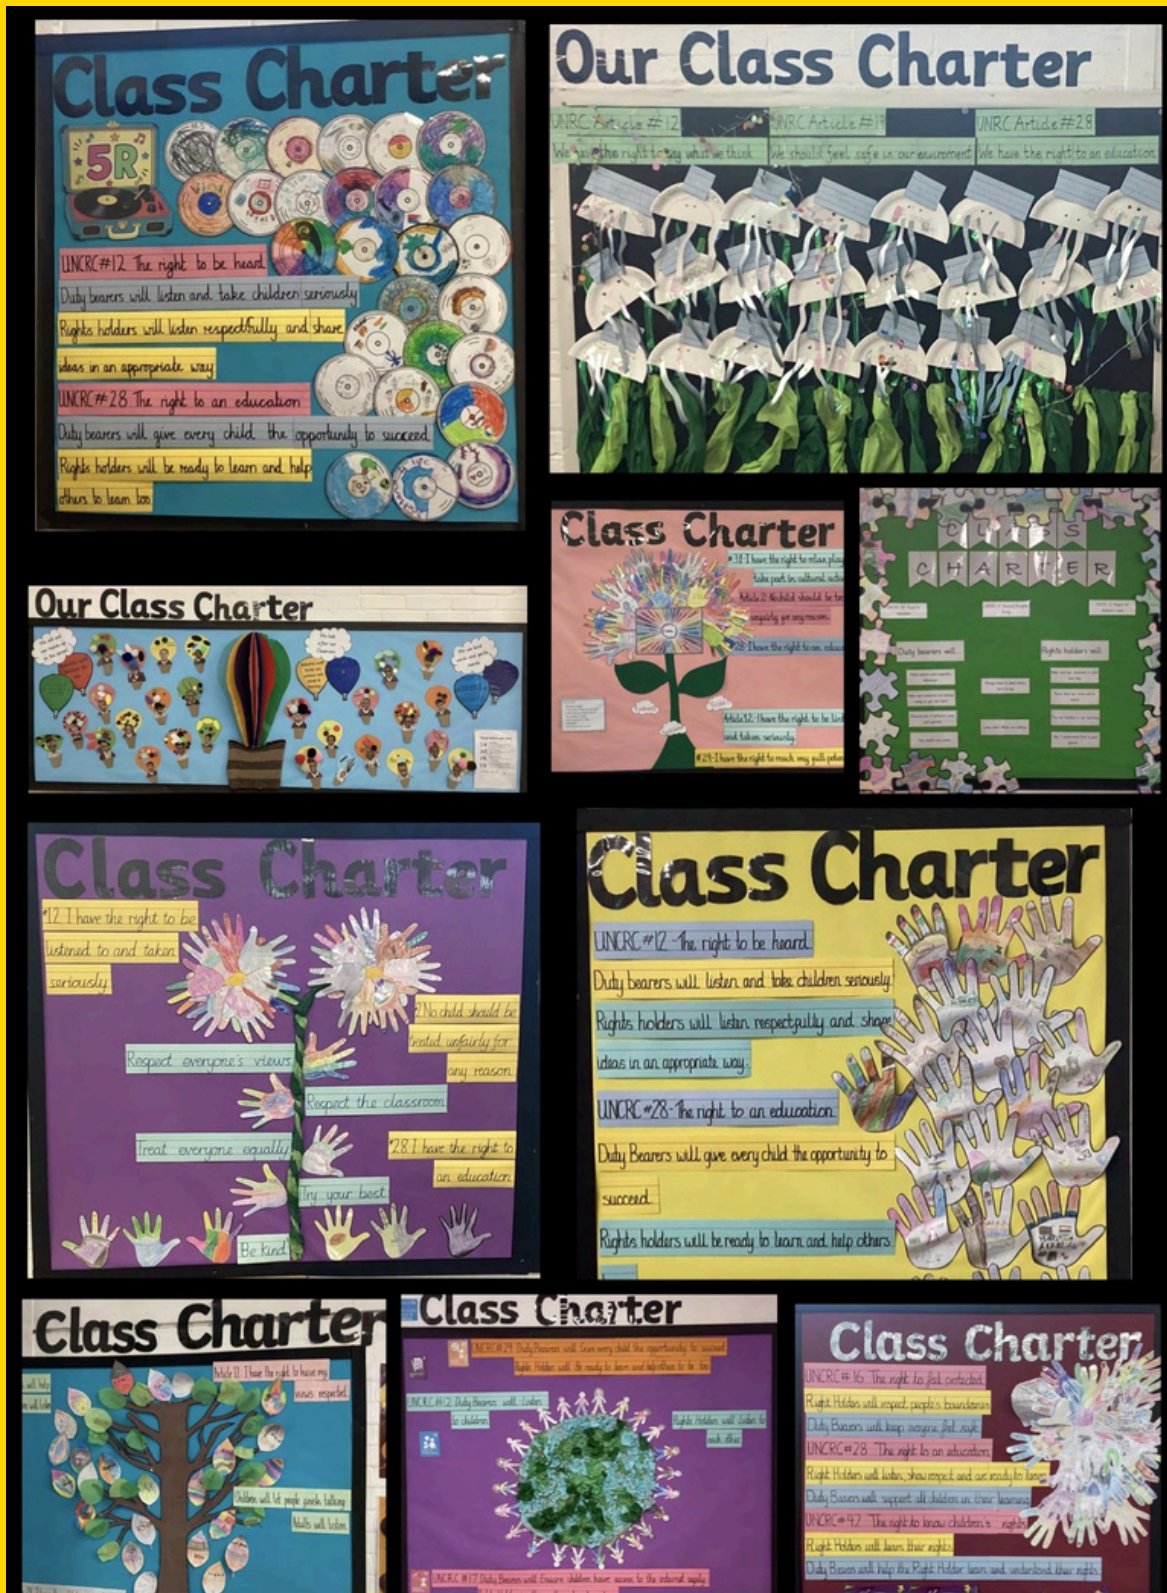

Congratulations to these students for setting a great example for their peers!

Nursery

The nursery environment is abuzz with the joyful energy of young children exploring their new class. As they navigate their colorful surroundings, little ones are engaged in playful activities that not only entertain but also foster their cognitive and social development. The interactions between these curious minds are laying the foundation for new friendships that will bloom over the coming months. Teachers are equally enthusiastic, ready to guide and nurture the children's growth, ensuring that each day is filled with discovery, laughter, and learning. With such an inviting atmosphere, the excitement for the year ahead is palpable, promising a journey brimming with memorable experiences and collective achievements.

Last week we decided on our new class charters. A UNCRC class charter is collaborative agreement of rules, values, and guidelines created jointly by students and teachers for their classroom. It links everyday classroom behaviour to the United Nations Convention on the Rights of the Child.

London's only professional rugby league team, the London Broncos, won their play-off match on Sunday, so are in the Semi-Final of the Championship on Sunday 27th September at Cherry Red Records Stadium in Wimbledon (3pm Kick Off)!

This is a massive match for the Club, so we would like to offer FREE TICKETS to ALL Students from your school. In order for Parents and Staff to be able to attend as well, we are offering Adult tickets for only £10.

These tickets can be accessed using the code RUGBYSCHOOLS at this link

Exploring After School Clubs

The Kapla club is off to a thrilling start, with creations like the Leaning Tower of Pisa, football stadiums, and train stations. It's a fun way to dive into architectural design and teamwork.

Please check Arbor for any remaining available spaces in our clubs.
