

Tuesday 29th September 2026

Dear Parents/Carers,

We are proud to announce that our very own Chesterton School and Eco Councils will once again be running our annual **Sock-Tober** campaign! This is a month-long **clothing drive** to support our local homeless shelters and agencies in need. As the weather begins to change, these extra items are essential to ensure our community members have their basic needs met. Even a clean pair of socks will help!

Please bring in your **new or gently used and freshly laundered** items so that we can pass them on to children, adults and families to help meet one of their primary needs during the cold winter months (UNCRC Article #6).

- | | | |
|----------------|------------|-------------------------------|
| - paired socks | - coats | - trousers |
| - jumpers | - blankets | - boots/shoes (tied together) |
| - gloves | - shirts | - pyjamas |

This event runs for the whole month of October, so don't forget to use the half term break to look through closets and cupboards – every item matters!

Please bring your clean clothing donations to your child's classroom. We will work to ensure your generously donated items get to people who really need them the most. Thank you for your support! Together **we** can make a difference in our community.

Mr Stanghon and Miss Calder
